PRESS RELEASE

Indiana Line Lira 6 wins the iF DESIGN AWARD 2026 – an outstanding achievement in international design!

Warsaw, 26.02.2026 – Indiana Line is proud to announce that the Lira 6 has been awarded the prestigious iF DESIGN AWARD 2026. The iF DESIGN AWARD is recognized as one of the world's most renowned design honors. Run by the independent iF Design Foundation in Germany, the award has served as a global benchmark for outstanding design excellence and impact for over 70 years.

The sought-after design accolade was awarded to Lira 6 in the Product Design discipline as part of iF DESIGN AWARD's Audio category, recognizing its innovative design and timeless, sculptural form that is both beautiful and functional, making true high-fidelity audio accessible to all.

With its groundbreaking "Symbiotic Drive" philosophy – where advanced technologies and premium materials are integrated with maximum efficiency – the Lira 6 stood out among the high-caliber designs of competing entries to impress the international jury of 129 independent design experts.

This year's iF DESIGN AWARD saw over 10,000 submissions from 68 countries. This win solidifies Indiana Line's standing in the audio market, positioning the Lira 6 among

the most outstanding designs in its field – an impressive achievement that underlines the highly competitive nature and significance of winning this award.

Further information about the Lira 6 can be found on the official ifdesign.com website under "Winners & iF Ranking" and on the Indiana Line website.

About Indiana Line
Established in Turin in 1977, Indiana Line has spent decades providing music enthusiasts with equipment that seamlessly blends advanced acoustic engineering with meticulous attention to detail. In 2020, the brand was acquired by Audio Klan, ushering in a new chapter of growth while steadfastly preserving its Italian DNA. Every Indiana Line model pays homage to Italy's rich design heritage, pairing elegant aesthetics with a sophisticated acoustic architecture. A consistent commitment to engineering excellence and rigorous quality control ensures that the brand's loudspeakers remain benchmarks in their class. By harmonizing refined sonic performance with superior build quality, Indiana Line continues to stand out as a premier choice within its price bracket.

About the iF DESIGN AWARD
Since 1954, the iF DESIGN AWARD has been a globally recognized benchmark of design excellence. The iF Design brand is internationally established as a symbol of outstanding design achievement, with the iF DESIGN AWARD regarded as one of the most important design honors in the world. It honors design achievements in all disciplines: product, packaging, branding & communication, service design, architecture and interior architecture, user experience (UX), user interface (UI) and concepts.
